

Buildings Improvement Grant (BIG) Project Budget for:

Instructions:

Please review the cost eligibility guidance, which can be found in the Appendix of the [Buildings Improvement Grants Programme Guidance](#), before completing this budget template. Once complete, save this document on your computer. Upload this document when prompted during the online application form.

Capital Costs

One-time costs associated with repair/improvement of buildings (or essential equipment purchases). Please only include costs which are eligible for funding (see the cost eligibility guidance in the Appendix of the [Buildings Improvement Grants Programme Guidance](#)).

| Cost type (see guidance notes) | Description | Amount |
|---------------------------------------|---|---------------|
| <i>e.g. Building adaptation costs</i> | <i>Installation of ramp to provide better accessibility</i> | <i>£5,000</i> |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| Total Capital Costs | | £ |

Other funding

For each entry, please enter the name of the funder and one of the funding types (e.g. grants, donations, reserves, fundraising events, legacies, sale of property, pledges, loans/mortgages, other). Use the final two columns to indicate whether the funds are 'secured' (i.e. you have confirmation of a positive decision from the funder) or 'unsecured' (i.e. you have applied or are planning to apply, but you have not yet received a decision) by placing the funding total in the correct column.

| Funder name | Funding type | Secured amount | Unsecured amount |
|--------------------------|---------------|----------------|------------------|
| <i>Worthington Trust</i> | <i>Grants</i> | <i>£2,000</i> | |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--|--------------------|----------|----------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | Total Funds | £ | £ |

Summary

| | |
|-----------------------|---|
| Total Capital Costs | £ |
| Total Secured Funding | £ |
